VOL. XLVII. UPLAND, CALIFORNIA, FRIDAY, DECEMBER 19, 1941. NO. 65.

Upland Civilian Defense Is Under County Setup; Citizens Are To Register At Once With Human Resources Committee At Chamber of Commerce

REGISTER AT ONCE IS ORDER ISSUED TO ALL CIVILIANS

Carried on under the authority and at the urgent request of the San Bernardino County Defense Council, the registration of human resources and skills being conducted in Upland by the Junior Welfare League is no "fly-by-night" project.

It is serious, essential business.

The war no longer is something afar off. It is being brought close to home by Japan, Germany and Italy. It may come even to our very doors.

It no longer is safe to say "We don't think" they will come this far.

Hawaii "didn't think".

And one day, within a matter of hours, they suddenly and desperately needed first aid experts, ambulance drivers, incendiary bomb fire fighters, rooms in homes for the wounded and dying, and scores of other things essential in time of disaster.

Upland may never have need for such service. But it is far better to be ready and not be needed than to be needed and not be ready.

EVERYONE RESPONSIBLE

From 8 a. m. to 8 p. m. every day two members of the Junior Welfare League are stationed in the chamber of commerce office to register the human resources and skills of every person in Upland.

C. E. Grier, chairman of the board of county supervisors and chairman of the County Defense Council, is directing a systematic and orderly survey of resources throughout the county.

Working in close cooperation with Mr. Grier, Gene Nisbet, Upland representative on the County Defense Council, is eager to have the registration rushed to completion as soon as possible.

The members of the Junior Welfare League are giving their time to the registration and it is absolutely essential that every person be registered at once. Well over 200 persons have been registered since Saturday morning.

Aged people and children who would need special care in time of emergency must be listed and every able-bodied person must be ready to do his part.

Some registration cards were sent out from San Bernardino before the county work was fully co-ordinated. Disregard them, says Mr. Nisbet. Register at the Upland chamber of commerce office.

This is not just an Upland project.

It is county wide.

It is state wide.

It is nation wide.

Get registered—now!

Rollin Lemon Takes Position With Ship Building Corporation

Rollin Lemon has accepted a position in the auditing department of the California Shipbuilding corporation, leaving the First National Bank of Upland. His office is in Wilmington.

He and Mrs. Lemon and children will make their home in Claremont, moving there from Upland. Mrs. Lemon has a position with the Pomona college, and Mr. Lemon will commute to his work.

Mr. Lemon is the son of R. Frank Lemon.

Mr. and Mrs. Ross, who have been residing on East Ninth street, have moved to their home at 657 East Seventh street, the property recently vacated by Captain and Mrs. L. S. Heral.

CITY BEST SERVED BY COUNTY HEADS, COUNCIL DECLARES

Upland civilian defense was brought before the city council at its meeting last night for the purpose of clarifying its status in the community and to the end that all citizens be informed as to just how the program is to function here and by whom it is to be directed.

A civilian defense committee has not been set up separately in Upland, because the city council expressed its opinion some time ago that this community would best function under the San Bernardino county setup. This action was taken in order to avoid duplication and overlapping of effort, organization and authority.

At the same time, the council declared that it felt the best interests of Upland would be served by the county organization functioning under the direction of full - time, expert directors with the resources of the county at their command.

Reporting this week on the work of the county civilian defense council, C. E. Grier, chairman of the county board of supervisors, said:

"In the county of San Bernardino excepting the four municipalities who have their city defense councils there is no authority for civilian defense other than that legaly authorized by state law and by ordinance of the board of supervisors. Activities of citizens or organizations not acting under direction of the various civilian defense chairmen will cause confusion and may lead to serious troube in the event of an emergency.

"The civilian defense council is operating by authority of law through properly authorized officials to do the necessary work in all matters concerning civilian defense. It is therefore essential that all patriotic citizens and organizations shall register for civilian defense and be properly authorized to take their part in the defense program.

"Our civilian defense organization has been efficiently organized for some time and during the past week our committee chairmen have handled their duties in an orderly manner and without confusion. It is only concerning the matter of blackouts, where the rules are laid down by the military and the state defense council that we have been unable to give to our workers and to the people full and compete information concerning their activities in critical times. As soon as these policies have been decided we will immediately inform all defense workers and the public."

RED CROSS FUNDS GROW TOO SLOWLY

On Dec. 9 the people of Upland chapter district were called upon to give $5,500 to the American Red Cross.

Today, nine days later, the people of the city of Upland have given approximately $900. This slow response is disappointing. Mrs. Mary Eckerman, chairman of the Upland Red Cross chapter, is earnestly requesting more generous response.

Background for the Red Cross call is the Honolulu disaster, with its thousands of casualties; the bombing of Midway, Wake and Guam; the fighting in the Philippines, and the very imminent possibility of attacks closer home—very much closer home.

It is to the Red Cross that all persons turn in time of emergency and disaster.

The Red Cross must be ready.

The Red Cross is the people.

It can function for the people only in the degree that it is supported by the people.

The people of Upland cannot fail to do their part. To raise the required quota it will be necessary for those who possibly can do so to make large donations. Every small donation also is needed.

The two banks are receiving all Red Cross subscriptions.

Postoffice Will Remain Open All Day Tomorrow

Upland postoffice will be open all day tomorrow, Saturday, to take care of the last-minute Christmas rush of mailing, it is announced by Postmaster Orton P. Brady.

Mail volume is considerably ahead of last year, Mr. Brady reports. The drop-off which is usually expected by this time each year, has not begun as yet, he said, and gives promise of holding up for a day or two still.

Mailings this Christmas give every promise of making this year the biggest one in the history of the local postoffice, Mr. Brady declared.

PETE'S SERVICE STATION ROBBED

Under the cover of blackout preparations, Pete's service station at the corner of Second avenue and Arrow highway was entered and the cash register rifled of $25 some time during Tuesday night, it is reported by Paul Benton, proprietor of the station.

Entrance was gained through a back door, Mr. Benton said, and added that so far as he could discover the thief had left no clues.

The night light in the station was out at the time, having been turned off in case of any emergency blackout alarm, Mr. Benton said.

Defense Stamp Sales Increase 1,000 Per Cent

America's answer to Japanese treachery is being registered daily at Upland postoffice in no uncertain terms by the enormously increased sales of defense savings stamps and defense bonds.

Defense sales have skyrocketed during the past week, Postmaster Orton P. Brady declares. Sales have been good right along, but since December 7 they have been little short of phenominal.

The sale of defense savings stamps, Mr. Brady said, has increased 1,000 per cent, while bonds sales have increased from four to five times the previous volume.

RED HILL CLUB CHOOSES LEADERS

Ellery F. Wright and Al Holmer are new directors of the Red Hill Country club, they being elected in the Club's annual meeting this week.

Other men reelected as directors are Dr. O. A. Thompson, who has served as president; Howard Shattuck, A. R. Gemmel and Sid Herzberg.

Husbands Safe in Manilla, Wives in Upland Informed

Mrs. T. S. Terrill, sister-in-law of Dr. Beverly S. Terrill, the former's two young sons, and Mrs. George Messenger, a friend, now are making their home in Upland and have taken the residence at 563 North Second avenue, having moved here from Coronado Beach.

Mr. Terrill, who is a plane ferry pilot, and Mr. Messenger, who is a flight manager for one of the airlines, are both in the Philippines at the present time. A cablegram was received this week from Manila stating that both men are safe.

Upland Moves to Adopt New Blackout Ordinance

An emergency blackout ordinance following a uniform draft recommended by State Attorney General Earl Warren and the California League of Municipalities, for all cities and counties in the state, was given a first reading before the Upland city council last night.

There is every assurance that the emergency ordinance will be passed and become effective at once when the board meets in adjourned session next Tuesday evening for a second reading and to vote on the measure.

FINES PROVIDED

An emergency measure, the ordinance will become effective immediately upon passage. It provides a fine of $300, a jail term of three months or both for violations.

Optional methods of sounding a black out alarm are provided, as follows:

The air raid signal shall mean a signal, by siren, whistle, horn or other audible device, of two minutes' duration, consisting of either a fluctuating or warbling signal of varying pitch or a succession of intermittent blasts of about five seconds' duration, separated by a silent period of three seconds.

The all-clear signal shall mean a continuous signal, by siren, horn or other audible device, of two minutes' duration at steady pitch.

LOCAL ENFORCEMENT

All regulations governing a blackout will be enforced by the police department and fire department under Chief of Police E. C. Mehl and Fire Chief J. W. Voth, in direct cooperation with the county sheriff's office.

Other provisions in the emergency ordinance to be adopted by the council in adjourned session, are:

The police chief shall order the air-raid alarm, but shall do so only when notified by the U. S. aircraft warning service of the fourth interceptor command.

LIGHTS OUT!

All traffic shall cease immediately when the alarm is sounded. Motorists will park their cars and extinguish lights. These machines shall be placed clear of crossings, intersections, fire houses and fire hydrants, hospitals and other emergency depots or areas. The vehicle must remain unmoved unless a peace officer or fireman orders it moved. Only emergency vehicles and vehicles expressly designated by the police chief or other authorizing agent shall move during blackouts.

Anyone maintaining a light during a blackout, except in a blackout structure (any room or building insulated so that it emits no light) is guilty of a misdemeanor and subject to the fine, imprisonment or both. No light may be maintained at night without proper provision for its extinguishment by a person over 18 years of age, except in a blackout structure.

Another Year Nears —And It Is Time To Pay Upland News

Almost the end of the year—and the start of another year—

And so it is time for readers of The Upland News to pay their annual $2 subscription. These are times of price advances—but The News rate is remaining the same. Instead, however, there is a new policy of requiring all subscribers to pay in advance.

In so far as possible, it is suggested that payment be made on a calendar year basis. However, subscribers, if they choose to, may pay in smaller amounts as long as their account is paid in advance.

LEGION CALLS FOR YULE BASKET AID

Upland American Legion and Legion Auxiliary call on Uplanders to give a big hand to the preparations being made to provide needy families with baskets of food on Christmas day.

"Food donations are coming in good," said Hjalmar Anderson, chairman of the work, "but what is most needed now are the donations of money with which to complete the work."

Most of the donations given at the stores are canned and packaged goods, and these must be augmented by staples, vegetables and meats. These latter have to be purchased for the baskets, Mr. Anderson explains, and among such items are sugar, rice, beans, oleomargarine, fresh vegetables and meat.

Some money donations have come in, but a great deal more is needed in order to fill the baskets with all the trimmings of good cheer. Donations may be left at the Anderson market, where Mr. and Mrs. Anderson will receive them at any time.

Japanese Bombs Kill Two Sons Of Ontario Man

Japanese bombs raining on Pearl Harbor struck close to home when an Ontario father this week was notified by the navy department that his two sons died in action.

Both boys, sailors aboard the ill-fated Arizona which was bombed and sunk by the savage Jap attack, were Don Lakin, 24, and Joseph Lakin, 21, sons of Joseph J. Lakin, 512 East Fourth street, Ontario, and enlisted in November 1940.

Stricken by grief, Mr. Lakin, who is employed at Pomona college, Claremont, left for Vista to be with other relatives. The mother of the boys is dead.

Mrs. Eckerman Asks For Shears for Use At Red Cross Rooms

The work of cutting out garments at Red Cross headquarters is being handicapped by a lack of shears, Mrs. Mary Eckerman, chapter chairman, stated yesterday.

There are a number of women experienced in cutting who are ready to keep the seamstresses supplied with material, but there is not a sufficient number of shears.

Stout, heavy shears for cutting thick material are needed, Mrs. Eckerman says. If anyone has a pair to spare Mrs. Eckerman should be notified. She and the other headquarters workers will be grateful for the gift.

News Wants News Of Holiday Events

Christmas still is Christmas—Japan and Germany to the contrary notwithstanding — and the day will be observed in Upland with many gatherings of relatives and friends.

The Upland News will follow its annual custom of reporting Christmas celebrations and all persons are invited to telephone The News office and give information concerning guests and family gatherings.

Special Pre-Christmas Jack Pot Is Offered Public By Merchants

SANTA CLAUS WILL ARRIVE TOMORROW TO SEE CHILDREN

Santa Caus will be in Upland tomorrow, and he sends word that he wants to see all good boys and girls down town during the afternoon. He will be here to greet them personally and will have something for every single one.

Upland Girl Scouts of Troop 25 are busp this afternoon packing bags of candy which Santa will distribute tomorrow.

BLACKOUT NO BAR

Asked if backouts might delay him this year Santa exclaimed:

"Backouts? Why, that's nothing new to me. I've been traveling in blackouts since time was.

"Blackout or no blackout, I'll arrive right on time, as usual", he decared, with a sparke of determination snapping in his firey old eyes. "I've never let America down, and you can count on it, I won't this year, of all years.

"I'm gad to see your stores are open evenings and life is going on as normally as possible, without excitement or alarm".

Bending confidentially closer he went on, "I see I missed a few paces the other night when I was here. I guess sometimes these old eyes do grow a bit dim, but I don't mean to miss anyone.

Don't forget Merchant's on Ninth street, where Christmas candles are burning brightly to light the way to a real man's Christmas—for father, brother, husband or boy friend.

"And just next door is Swannie's studio. What could be more appreciated than a smiling likeness for a present to cheer one the whole year through?

"Yes, there's Danner's bakery, too. Their windows hold a tempting display of toothsome Christmas delights to tickle the palate of every member of the family.

"One more thing and I must be off. Don't forget to buy plenty of presents for the Japs. Defense savings stamps and bonds are just the things to take care of that item, and Mr. Brady is really selling 'em at the postoffice. I'll see you tomorrow".

MUST MAINTAIN WARNING LIGHTS

A number of matters bearing on blackout and defense were considered by the city council in regular session last night.

Southern Counties Gas company submitted a request to the council requesting it be released from its obligation in maintaining red lights or work excavations during the emergency.

Regulation of lights, the council declared, seemed to be quite well covered in the emergency blackout ordinance now being considered for enactment by the city. The council expressed itself of the opinion that the company could not be released from its obligation to maintain lights for the protection of citizens at all times. In the event of a backout, the council said that it would be up to the company to provide for extinguishing any such red warning lights.

MADONNA DARKENED

If Upanders have noticed that the corner of Foothill boulevard and Euclid avenue is some darker than usual, the reason is that flood lights on the "Madonna of the Trails" have been extinguished for the duration, City Manager R. G. Manley told the council.

Upland's water suppy is being protected, the council was informed by Mr. Manley. City employes are now on night patrol to guard against any act of sabotage against local wells or reservoirs. Means of further extending this protection was discussed by the council and will no doubt be put in effect at an early date, it was indicated.

Upland Stores Open Evenings Till Christmas

Upland stores will be open evenings until 8:30 o'clock every shopping day from now till Christmas.

Action was taken by Upland merchants this week to keep business activity flowing as normally as possible. Only in case of a blackout warning will they be closed.

DRIVERS' LICENSE OFFICE SUSPENDED

John H. Pratt, examiner for the division of drivers licenses, announces that all traveling examiners have been ordered to close their offices and suspend license service from December 20 until February 14, inclusive.

This suspension of license service is necessary in order that all the division of registration to prepare for the seasonal rush in handling the issuance of car licenses.

Office files containing uncompleted applications for licenses made at the Upland and Ontario offices will be at the division's San Bernardino office. Due to the fact that services at Upland will not be available again until Monday, February 16, and at Ontario until February 17, any applicant who has his application on file at either office, should if he or she desires completion of his examination before that re-opening date, go to the San Bernardino office where their application will be filed.

While the closing is very much regretted, Examiner Pratt points out that this temporary suspension in Ontario and Upland became necessary due to the reduction of funds budgeted by the legislature for the Department of Motor Vehicles.

Ontario Newspaper Man Purchases Upland Residence

A. Q. Miller, business manager of the Ontario Daily Report, will soon become a resident of Upland, having recenty purchased the Arthur property at 409 West Ninth street.

Extensive alterations and repairs are now being made on the property, the work being done by Gish & Bohen, 512 Eighth avenue.

The Millers plan to occupy their new home soon after the first of the year, it was said by Mr. Miller.

SPEAKERS TO TELL OF DEFENSE WORK

Work of the San Bernardino County Defense Council is to be explained to any club or other group in the Upland district that will call for a speaker.

Appointed by Cornelius Debakcsy of Fontana, chairman of the public relations division of the San Bernardino County Defense Council, H. M. Guy is chairman of public relations in the Upland district.

Mr. Guy has enrolled several speakers who will respond to calls from interested groups—and all groups are expected to be interested.

It is essential Mr. Guy points out, that everyone become familiar with the functioning of the county defense organization in order that the most efficient cooperation be rendered.

Speakers listed by Mr. Guy are W. W. Mather, Gardiner W. Spring, E. Tweed Stone, Dr. Ralph D. Ryan, Edw. E. Gray and the Rev. Rex E. Lawhead.

Serving as chairman for Alta Loma is Herbert C. Hall, and for Cucamonga, Leslie L. Foster.

$40 TO BE GIVEN SHOPPERS AFTER 3-DAYS BUYING

There is a Santa Claus.

At least one family in the Upland district will have a gift from Santa in the form of cash dollars. This will be delivered lat Wednesday evening.

The Upland merchants have developed a special three-day Christmas "Dividend" jackpot, which will be presented just before Christmas. The person to whom the jack pot is presented may receive it if that person has at least two sales slips from participating stores. The sales slips are to be dated either Monday, Tuesday or Wednesday.

Amount of the jack pot is $40.

There is no connection between the new Christmas dividend and the usual Saturday dividend day. Next week's three-day event is independent of any other jack pot, although the customary basis for selection will be followed. That is, an address will be selected from the directory containing the addresses of all the houses in the Upland district. Santa Claus will go to that address and offer the money.

If the first person doesn't qualify to receive the Yule gift, additional selections will be made until a person is found who has the necessary sales slips.

It is emphasized that next week's special Christmas event is independent of the other similar jack pots and is not to be confused with Saturday's long-established merchandising program.

All that local customers must remember is to buy at the participating stores, listed here, on Monday, Tuesday or Wednesday, save the sales slips and be at home or leave the sales slips posted at their front door next Thursday.

Purchases must be made in at least two stores.

Stores participating in the special Christmas dividend are the following: J. J. Atwood Co., Goodban's Brownbilt shoe store, Harnish Dry Goods Co., Strieby's Dress shop, Upland Furniture Co., Huxtable's Pharmacy, Rowe Hardware Co., Strieby's Men's shop, (V. H. Wilson, manager), Mac the Medicine Man, Upland Pharmacy, McFadden's 5c, 10c 25c store, Roy Creighton, Mellon's Kitchen Mart, and Colborn Electric Co.

MISSES JACK POT

Roy Thompson, 130 Tenth avenue, received a call last night from The Upland News representative, who offered him The News grocery advertising award. He did not have the necessary sales slips, however.

A week ago, Mrs. C. R. Laughlin, 163 South Second avenue, received the grocery jack pot, totaling $52.50.

Christmas Carols Feature of Meeting Upland Lions Club

Singing of Christmas carols was the entertainment feature at the meeting of the Upland Lions club at noon yesterday. Giving the musical program were Mrs. Charlotte Rausin, Charlotte Rahn and Lynette Grahame, accompanied by Mrs. Ear H. Johnson.

The Rev. Rex E. Lawhead, a member of the club, concluded the program with a timely address on the meaning of Christmas.

In recognition of their 15 years of membership in the club, the following were given special Lions' pins: Fred E. Draper, Norman S. Lawson, Milton F. Huxtable and Glenn M. Atwood. Ernest Olson was given a "10 year" pin and Harold W. Cook was given a "key" in recognition of his efforts in getting new cub members.

President Leigh Thompson presided.

Upland Has Learned a Lesson In Dealing With Ontario

What residents of Upland and Ontario want is a fair basis for maintenance of a sewage disposal plant. Such a plan has been prepared by the city managers of Upland and Ontario, approved by the Upland city council—and rejected by the Ontario city councill.

For months, yes, years, officials of the two cities have been conferring over a contract, made in 1917. This contract has some questionable legal foundation. In any event there is a 50-50 chance of either city winning in a legal test.

Rather than experience the aggravation of a prolonged court suit, Upland officials, however, were willing to make liberal adjustments in the original contract, which contract is favorable to this city.

While these extended discussions and efforts at negotiation have come to naught, perhaps the people of this community have learned a lesson.

Perhaps the time has come for this community to entirely divorce itself from Ontario interests.

Many people in both communities would like to work closely together. This should be possible and surely it is highly desirable.

But since the official attitude in Ontario exists as it does, there is no reason to continue with the idea that twin-city cooperation is possible. Ontario in so many words has told Upland to build its own sewage disposal plant; get out of Ontario and take care of its own affairs.

A court suit is very likely. If Ontario wins, Upland probably will build its own disposal plant. If Upland wins, Ontario will be required to continue the present disposal arrangement for another 24 years.

In any event, a wholesome attitude is not likely to prevail officially between the two cities.

Upland has done its part in seeking to develop and to maintain a friendly community spirit.

The two communities have much in common; everything to gain by working closely together.

Upland officials in an honorable manner have tried to honorably settle a difficult problem. The final move was up to Ontario and last Monday, the Ontario city council said "no". The official rejection was to the proposal that had been sought jointly by the Upland-Ontario city councils and had been prepared jointly by the Upland-Ontario city managers.

The cue has been given. Upland should divorce itself from Ontario.

Your Attitude Will Help Speedy Coming of Peace

This is war.

We are expected to give freely of our time and money. At every turn we are asked to give this and give that. And it should be done.

There is the Red Cross—and everyone should give very generously to that.

There are many civilian defense projects—and we should give freely of our time and energies.

There are various registrations needed—and we should respond quickly to any appeal.

We, the people, are vital to this war—and our attitude and our generosity will help determine how soon peace comes.

This is war—and we must do our part.

Building to Save America

Before the end of December, the monthly output of war aircraft in American factories will exceed the production of Nazi Germany. In less than two years "inefficient" democracy has outstripped seven years of intensive, regimented German war building.

Such is the very significant statement from T. P. Wright, assistant chief of OPM's aircraft branch.

What he means when he gives such a report is that free enterprise that built America is building to save America.

Only Trees Hit But Man Is Cited For Hit-and-Run

Failure to stop and leave his name and address after running his car into and damaging three trees in front of the W. E. Etter residence, 855 North Campus avenue landed Bert Ecklund, Los Angeles, a hit-run citation to appear on December 23 in the court of Judge Mildred R. Puckett.

Arrest of Ecklund was effected when he appeared at an Ontario garage to have his car repaired.

Chino Prison Head Assures Ranchers Of Increased Vigil

"Okay here," was the terse but heartening message received late Sunday by Mrs. Carl Stull, Chino, from her husband, who is on besieged Midway island.

Mr. Stull has been employed on the island, doing plumbing work on defense construction projects. An airmail letter from him was postmarked December 4, and was received by Mrs. Stull a day after the Japanese laid siege to the island.

ARMY ASKS ALERT WATCH BE KEPT IN RURAL AREAS

In a communication to Upland police from the commander of the army fourth corps area, methods of saboteurs are described, and residents are asked to be on the alert for any out of the ordinary activity.

The experience of the defenders of Manilla, the army says, has been that fifth columnists aiding night raiders have been directed to their objectives by heavily lighted houses in a line.

Direction is also given enemy planes by the use of flashlights moving toward the objective.

Such activities, the army points out, are carried on principally in rural areas. Consequently, residents of this area are asked by the army to keep a vigilant watch for any such type of activity which might give aid or direction to enemy raiders. Commuication or any suspicious circumstances should be directed to Upland police, who will take proper action.

14 Years Ago

Mr. and Mrs. Paul Engle and members of the senior class of Beulah college returned home safely yesterday after being snowbound at Lake Arrowhead for four days. One of their motor cars was so "snowed in" it had to be left at the mountain resort. In the group besides Mr. and Mrs. Engle were Miss Rose Buckwalter Miss Hazel Gramm, Miss Rhoda Wengerd, John Schmidt and Earl Lenhert.

Dr. Merton E. Hill, principal of Chaffey, will leave Saturday aboard the City of Honolulu for Honolulu, where he will make a short visit. He plans to be home again by Jan. 6.

Miss Caroline Roberts Brownson, who is a freshman at Wellesley college, Mass., has written her parents, Mr. and Mrs. Roswell R. Brownson, that she will spend the Christmas holidays with her grandparents, Admiral and Mrs. Brownson, of Washington, and they will spend the greater part of the time in Newport, R. I.

Miss Judith Bordwell, a sophomore at the University of Arizona at Tucson, will come home for the holidays. Bill Baxter and Norman Springer, both Stanford students, also will spend Christmas here with their families.

Upland chamber of commerce, so says Secretary Moser, will build a miniature Eiffel tower as Upland's exhibit in the San Bernardino Orange show in February.

Proceeds from the charity ball held at Red Hill Country club will be approximately $325, it is reported by those in charge. The money will go to the free bed fund.

Presiding at the tea table were Miss Ann Hollinger of La Verne and Mrs. Harley Evers of Upland.

Mr. and Mrs. W. C. Clewett, 1841 West Arrow highway, entertained at dinner Sunday for their niece and her family, Mr. and Mrs. Irvin Tanneyhill and son John Irvin, and twin daughters, Diana and Donna, of Inglewood.

Mr. and Mrs. John Hook of North Central avenue enjoyed a visit Monday at their home with their uncle and aunt, Mr. and Mrs. O. R. Ellers of Long Beach.

Visitors at the home of Mr. and Mrs. Clay Moore, 375 North Harvey avenue, Sunday, were Mr. and Mrs. Gyles Forvas of Wilmar.

Jimmy Wilson, son of Mr. and Mrs. Edgar Wilson, 1905 West Arrow highway, who enlisted in the army last week, has been sent to Fort McArthur.

Dr. and Mrs. F. J. White have received a letter from their son, Philip, stating he is a member of the State Guard in San Francisco and that the Guard is working about 18 hours a day preparing the city against possible air raids.

Mr. James S. Bradford led the community prayer meeting at the home of Mr. and Mrs. W. C. Clewett on Tuesday evening. Everyone in the community is cordially invited to attend these meetings held every Tuesday evening at 7:30.

Maybe He Needs a New Music Teacher

Statistics show that when mothers and housewives decide to change milk men or music teachers, laundries or florists — or when they want a painter, a plumber, a radio repairman, or a printer — the first thing they do is consult the Buyer's Guide (yellow pages) section of the Telephone Directory.

BUSINESS MEN: Whether your business is large or small, if you have more than one commodity or service to sell, be sure that each one is listed separately in the new Telephone Directory to be published very shortly. You can order new listings by telephone. Call Business Office.

FOOTHILL BLACKOUT SYSTEM IS WORKED OUT IN CUCAMONGA

Cucamonga citizens have acted with dispatch in making provisions for blackouts and in setting up an organization and facilities for carrying out blackout requirements.

Fourteen blackout wardens have been appointed for the district, with each warden having charge of approximately a square mile section. Duties of the wardens are to call on every resident in their districts and instruct each household how to prepare a blackout room in the home. They also will acquaint residents with rules which must be observed during blackouts.

During actual blackouts, it will be the duty of the wardens to patrol their districts to give warnings and to see that an effective blackout is maintained.

INSTALL SIRENS

In order to give adequate blackout warnings for the Cucamonga district, the committee has secured three sirens. One siren will be installed at the Buehler tank works, and another on Red Hill, while the third location has yet to be determined. A short wave radio will also be installed at Buehler's and the night watchman at the plant will keep tuned in for blackout warnings and it will be his duty to sound the sirens.

The whistle at one of the wineries also will be blown to augment the siren warning system.

Poli Sanchez, Oscar P. Whitney and Ralph Santolucito have been named as the committee in charge of this phase of defense work. A special meeting in San Bernardino for the purpose of disseminating blackout information and instructions was attended by Robert Miller, Ben Vizio and Poli Sanchez.

Children To Give Christmas Program At Church Sunday

Children's departments of the Presbyterian church school will present a Christmas program at the church Sunday morning, beginning at 11 o'clock.

Opening the program, Donna Mae Moremen will sing "The Angel's Song" and this will be followed by a number of recitations.

The selections and the readers will be "A Christmas Poem, Herbert Duncan; "A Night Long Ago," Billy Milliken; "The Christ Child," Martha Lou Anderson; "The Star," David Randall; "One Starry Night," Adele and Dan Jeran; "A Christmas Song," Dickie Loch; "The Christmas Song," Richard Wiley; "The Bells," Sylvia Snow; "The Christ Child," Gordon Nicholson; and "The King's Birthday," Tommy Jamieson.

The readings will be followed by three songs, "The Glad Tidings," by the juniors; "Jesus Is a Friend to All" by the nursery department, and "What is Christmas?", by the beginners department.

There will be singing of Christmas carols by all departments, the presentation of gifts to the King, and the presentation of gifts to the children.

Long Beach Man Becomes Ontario Chief of Police

New Ontario chief of police, Claude F. Robberson, Long Beach will take over his new duties in the West End city on January 1, it was made known after his appointment this week by the Ontario city council.

In police service for 21 years, Robberson has been assistant chief of police in Long Beach for eight years and before that was chief of the Los Angeles detective bureau under Buron Fitts, former district attorney.

Alta Loma Cagers Go to Chino Game

Boys of the Alta Loma basketball squads travelled to Chino on Tuesday afternoon, where they saw the hoop game between Chino and San Bernardino. Principal Boyd Lehman and Henry Rollins of the South Cucamonga school, accompanied the group.

Those who made the trip were: Stanley Williams, Howard Floyd, Raymond Marquez, Wilbur Gardner, Harrell Chambers, Henry Marquez, Bobby Wattenbarger, Dick Barkow, Vyren Eberly and Benny Allen.

JOBS AWAIT 200 YOUNG MECHANICS

Young mechanics, with either experience or vocational training have until noon tomorrow to respond to a call for defense workers.

A San Diego firm making parts for aircraft has sent out a call for 200 young men, according to C. Bert Allen, manager of the state department of employment office in Ontario.

Age limits, Mr. Allen states, are 18 and 35 years, the orders calling for men, only. Men classified as A-1 in the draft are not being employed. The men will be listed as helpers and will be paid 60 cents an hour at the beginning. Experience in any mechanical work, such as garages and filling station repair jobs, will qualify.

Anyone having taken over 50 hours in vocational training for defense will be considered, Allen adds, and each applicant must, in every case, bring a copy of his birth certificate with him when making application.

Applications are to be made at the employment office in former Ontario chamber of commerce building this afternoon or Saturday morning.

War Delays Many Applications for U. S. Citizenship

Aliens who were born in countries now at war with the United States and who have applied for citizenship are faced with the necessity of having their applications continued for the duration of the war, it was said by J. R. Garrity, inspector in charge of naturalization and immigration service in San Bernardino county.

More than 30 such applications in the naturalization class appearing this week before Superior Judge Charles Allison's court were so continued, the applicants being classified as "enemy aliens". Approximately 13 Italians and six Germans are affected by the ruling.

Nearly 110 aliens applied for citizenship and completed preliminary examinations conducted by Garrity.

Suggestion Made to Quarter Jap Aliens In Chino Institution

Possibility that California Institution for Men at Chino may be used as a concentration camp for alien Japanese has been suggested to Governor Culbert L. Olson by Assemblyman Lee T. Bashore, Glendora.

It was said that they could produce vegetables on the prison tract for their own use and for state institutions.

The assemblyman said that if the matter needs legislation he would be willing to sponsor it at today's special session which was called by the governor.

Bashore said he also would seek establishment of daylight saving time for the duration of the war emergency, and as well, would call for a ban on all outdoor neon signs.

Library To Close At Earlier Hour, Says Mrs. Manker

Upland Public library is to close its doors at 6 o'clock every evening during the next few weeks, the hours being from 10 a. m. to 6 p. m. until the first of the year. Sunday hours will remain as they are, 2 to 5 p. m.

Announcement of the early closing hours was made today by Mrs. F. H. Manker, librarian, who stated the action is being taken in cooperation with the general defense measures. After the first of the year decision will be made concerning future policy.

Postmaster Gives Instruction About Christmas Mailing

To facilitate the handling of Christmas mail, the Upland post office will remain open until 6 p. m. on each Saturday until Christmas, Postmaster Orton P. Brady stated this morning. On regular schedule, the post office closes at noon on Saturday.

Mr. Brady suggests that where possible mail should be brought in early to avoid confusion in case of a blackout at an early hour.

Mr. Brady also stated that in this office as well as in all others throughout the country, temporary help is employed and it is absolutely necessary to have complete street address if mail is assured delivery.

Desert Property of Mrs. Eells Becomes Part of Army Field

Assurance has been given ranchers in the Chino district by prison authorities that they are doing all in their power to prevent repetition of the numerous recent escapes.

Before a second mass meeting of Chino citizens, Superintendent Kenyon J. Scudder outlined plans for maintaining closer supervision of convicts. The superintendent also reported that all ranchers living in a three-mile radius of the prison had been charted and that, in event of a break, they will be put on their guard immediately by phone.

HOW TO BRIGHTEN YOUR Christmas
These have delighted the folks, little and big, for years. Try them dressed up this way.

POPCORN BALLS

An old-time delight but give them a 1941 look with cellophane jackets so they'd look like mammoth fruits — apples, pears, cherries — or your pet pussy cat.

HOLIDAY CALLERS?

Have salted nuts, cluster or seedless raisins, and hard candy on hand, in holiday array. (And you can salt your own nuts — saute them in your heavy frying pan, sprinkle with salt and let drain on sheets of absorbent paper).

LET'S EAT BEFORE WE GO!

What better on a cold or rainy night than hot buttered popcorn, chilled crisp red apples, hunks of nippy cheese to nibble on, and a steaming cup of hot chocolate. Serve before an open fireplace and purr!

CIDER & SWEET BISCUITS!

That's really going way, way back for an idea. Hot mulled cider (heat cider with stick cinnamon and whole cloves), shortbread or butter wafers. For afters or bedtime snacks—or any time.

"ENOUGH FOOD FOR ALL"
"A review this morning leads me to the conclusion that at present we shall not have to curtail the normal articles of food. There is enough food for all of us and enough left over to send to those who are fighting on the same side with us."
—President Franklin D. Roosevelt
(In radio speech of Tuesday, December 9, 1941)

Nature put vitamins in food
—don't let improper cooking waste them

THREE OF THE WAYS A CP GAS RANGE WILL HELP YOU SAVE VITAMINS

1 VITAMIN-SAVING BURNERS. Simmer settings make possible the "waterless" cooking of vegetables, recommended by vitamin authorities.

2 VITAMIN-SAVING BROILER. No preheating necessary. Meats retain more vitamin-rich juices, because cold-start broiling enables you to broil the portion nearest the flame, without overcooking the under side.

3 VITAMIN-SAVING OVEN. CP controlled heat enables you to roast meats with minimum of water, and yet avoid drying-out. Low temperature CP roasting also enables you to reduce meat shrinkage as much as 20%.

Save Vitamins WITH A GAS RANGE

YOU'LL ENJOY IT'S BEAUTY, its convenience and economy, too! Homemakers' eyes brighten at the very sight of the sleek CP ranges. And just think of this: CP burners are *super* fast; lighting is completely automatic; accurate oven control eliminates all worry over results. Operating cost is only ½ as much, on the average, as next-best method!

Cook the vitamin-saving way, with a CP gas range

YOU'LL FIND IT EASY to serve delicious, vitamin-rich vegetables, the CP "waterless" way. Nutritionists say that the waterless method is by far the best—and with a CP (Certified Performance) gas range all you need do is turn the burner handle till it "clicks" for simmering. Vegetables cook gently—retain more vitamins and taste better. Meats, too, keep their vitamin-rich juices broiled or roasted the CP way. In fact, it's much easier in every way to serve well-balanced meals with a CP gas range. Get full information from a DEALER OF SOUTHERN COUNTIES GAS CO.

Wesleyan Guild Hears Songs and Address During Meeting

Mrs. Nellie Ryan, 121 West Ninth street, was hostess Tuesday evening at the meeting of the Wesleyan Service Guild of the Methodist church, the co-hostesses being Mrs. Harold W. Cook and Mrs. Earl L. Wenger.

Christmas decorations prevailed throughout the home and a beautifully decorated Christmas tree was the center of attention.

Dinner was served early in the evening and was followed by a brief business session conducted by Mrs. Henry Anderson, president. Committee reports of preparations for Christmas giving by the Guild were made. Devotional service was conducted by Mrs. Thomas J. Carter.

Mrs. Marion Maxwell provided a portion of the program by singing several Christmas songs that are favorites in other lands. She was accompanied by Mrs. Vernon V. Paine.

An address was given by Miss Martha Kauffman, a medical missionary on furlough from Africa. Miss Kauffman, who is spending two months in Upland, told interestingly of the life of native women in Africa and of the work of medical missionaries.

Present for the meeting were Mrs. Anderson, Mrs. Clifford Jellison, Mrs. Thomas J. Carter, Mrs. Frederic Dumas, Miss Kathryn Mitchell, Miss Florence Armstrong, Miss Betty Rice, Mrs. Paul Young, Mrs. Francis Line, Miss Hazel Miller, Mrs. Elmer Allen, Mrs. Arthur Sherbondy, Mrs. C. Ernest Olson, Mrs. Wm. E. Amberson, Miss Jessie Brown, Mrs. Vernon V. Paine, Mrs. Loren H Robinson, Mrs. Coy Sanders, Mrs. Wilson Gillingwators, Mrs. Marion Maxwell, Miss Martha Kauffman, Mrs. Cook and Mrs. Ryan.

Urge Business Women To Aid Red Cross Emergency Fund

In a letter to Miss Hester MacKay, president of the Upland Business and Professional Women's club, Mrs. Margaret K. Holcomb, president of the California Federation of Business and Professional Women's club, passes on to the club women an urgent appeal from A. L. Schafer, manager of the Pacific Area of the American Red Cross.

Mr. Schafer says:

"Earnestly request that your organization give full support to the American Red Cross war fund campaign launched Dec. 8 for minimum of $50,000,000. All Red Cross chapters have received their quotas and now are busily initiating their local campaigns. Urge you issue statement to all your membership and that they cooperate with their local Red Cross chapter by offering their services in campaign in whatever way they can serve best and by making contributions."

Mrs. Holcomb adds her own message to the club women in the following words, which are heartily approved by Miss MacKay:

I trust you will answer this call 100 per cent.

The brutal war is now at our very door.

Our boys are standing in line by the hundreds at every recruiting station in their eagerness to volunteer their services in defense of our country, and we members of the California Federation will not fail to meet our obligations in defense of democracy and to those who are willing to give their lives if need be to the cause of liberty.

Solana Club Members Enjoy Christmas Gathering

Gathering for their Christmas party, members of the Solana club were guests Wednesday afternoon of Mrs. L. E. Moser, 535 West Twenty-first street.

A holiday atmosphere was provided by gay holiday decorations, a table snow scene and a beautifully decorated Christmas tree winning special admiration.

An exchange of gifts was held and visiting was enjoyed during the afternoon, with the hostess serving refreshments.

Attending the party were Mrs. W. T. Schaffner, Mrs. Minnie D. Goodrich, Mrs. D. D. Lambert, Mrs. William Littlewood, the latter from Monrovia; Mrs. Oscar Gaither, Mrs. Charles Dinger, Mrs. Frank C. Buffington, Mrs. Etta Johnston, Mrs. Roscoe Sales and Mrs. Moser.

Mrs. McConkay Named 1942 President of Relief Corps

Mrs. W. J. McConkay, 679 North Second avenue, was elected president of the Woman's Relief Corps during the meeting held Thursday in the W. R. C. Memorial hall in Ontario. Mrs. McConkay will succeed Mrs. R. A. Martin of Ontario.

The meeting was preceded by a Christmas turkey dinner served at 11:30 o'clock by Mrs. Mary Waterman and her committee. The tables were decorated with tall red candles and smilax. Place cards for the 64 persons in attendance were Christmas greetings to the members from Mrs. Martin, the retiring president.

Center of interest was a beautifully decorated Christmas tree, from which gifts were distributed, each one presenting and receiving a gift.

Mrs. Martin opened the business session in the afternoon and in addition to the election, routine business was transacted.

Committee reports showed that during the past month 96 calls were made, 23 bouquets were presented, 45 cards sents, and welfare work in the amount of $1.75 in cash and $56 in other than cash.

The election followed and those named to serve with Mrs. McConkay are Mrs. R. L. Bachstein, senior vice-president; Mrs. R. B. Bigelow, junior vice-president; Mrs. R. J. Kessler, treasurer; Mrs. Emma Hamilton, chaplain (re-elected); Mrs. R. A. Martin, conductor; Mrs. Wilbur Rowland, guard, and Mrs. P. H. Colling, trustee.

Delegates named to the department convention, in the order listed, were Mrs. A. M. Plasterer, Mrs. Paul Stine and Mrs. Pinkney Wallack. Alternates in order are Mrs. R. L. Bachstein, Miss Olive Wood and Mrs. Oran Burt.

Mrs. Harvey Hostess At Luncheon for D.R.A. Board

Members of the executive board of San Antonio chapter, Daughters of the American Revolution, were entertained at luncheon on Thursday, when they met at the home of Mrs. W. B. Harvey, 254 West San Bernardino avenue, Cucamonga.

Mrs. Harvey served a delectable luncheon at smartly appointed tables, which were made gay with Christmas decorations.

A routine business session was conducted by Mrs. Alexander R. Gemmel, chapter regent.

Miss Dorothy Rosenberger, who has been critically ill with pneumonia, is much improved and visitors are now permitted. She is at the San Antonio Community hospital.

Assemblyman Godfrey A. Andreas left Upland last night to go to Sacramento to attend the special session of the state legislature which was called for today by Governor Culbert L. Olson.

O. V. Douglas, Shirley, Ill., and I. F. Dougas, Boomington, Ill., brothers of Mrs. Clara D. Strieby of Upland, are schedued to arrive tomorrow for a visit. Mrs. Strieby, a patient at the San Antonio Community hospital, is improving in strength and is awaiting the arrival of her brothers.

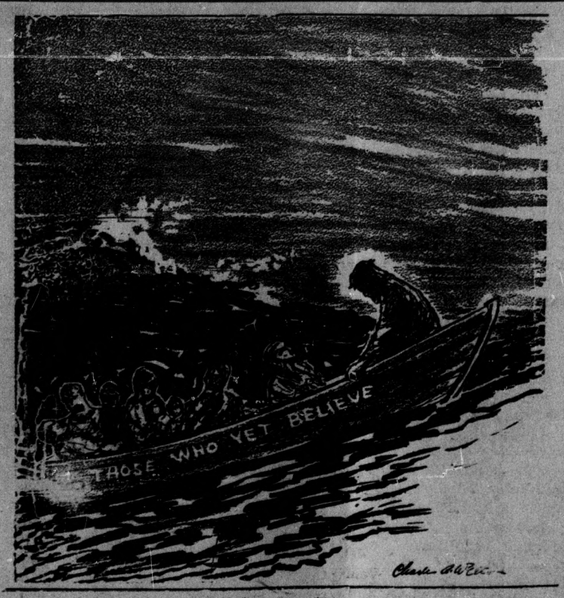

Mrs. Hazel Douglas and small daughter, Donalee, of Springfield, Mo., are visiting with Mrs. Douglas' parents, Mr. and Mrs. C. E. King of East Seventh street. They will remain over the Christmas holidays. Mr. King, who has been confined to his bed for the past 10 days by an attack of influenza, is now improving.

Captain F. L. Lowe of Washington, D. C., arrived last Saturday for a visit with his brother and sister-in-aw, Mr. and Mrs. E. L. Lowe of East Seventh street. But his visit soon was interrupted by a telephone message from the office of the department of the interior, calling him back to Washington, and he left immediately.

Ernest Sachs, formerly a resident of Upland and now livivng in Klamath Fals, Ore., was able to leave the hospital recently and return to his home, according to word received by his brothers, Roy Sachs and C. C. Sachs. Mr. Sachs suffered a severe illness several months ago and an infection made amputation of his leg necessary.

Joe Cline, son of J. E. Cline, and Miss Marie Lieber were united in marriage Sunday, the wedding occurring in St. Agnes Catholic church in Los Angeles. J. E. Cline and his son-in-law and daughter, Mr. and Mrs. H. A. Younge and their children, Junior and Fannie Lou, were present for the wedding. Mrs. Younge attended the bride as matron of honor.

Mrs. Pierce, and her mother, Mrs. O. P. Thomas, Sr., who arrived in Upland from Johnstown only a week and a half ago to spend the winter with Mr. and Mrs. Pierce, left Upland on Friday in response to word of Mr. Thomas' sudden and serious illness. They arrived in Johnstown just a few hours before Mr. Thomas' death, which occurred early Tuesday morning.

VIKINGS FAVORED TO WIN TOURNEY

In the Chaffey invitational basketball tournament going into the final rounds this afternoon, Taft and Santa Ana were 15-15 in the second half of the game about 2:45 p. m. in the final playoff for consolation.

Following the Taft-Santa Ana game, Compton and Long Beach were scheduled to play the finals for the tournament championship. Long Beach appeared to be the top-heavy favorite to take the pennant, notwithstanding Compton's crushing defeat of Chaffey 28-49 yesterday.

Students Appear in Program Sponsored By Upland P.-T. A.

Practically filling the auditorium of the Upland Elementary school, parents and friends of the pupils in the Elementary and the junior high schools enjoyed the Christmas program given Thursday afternoon by the pupils under the sponsorship of the Upland Parent-Teacher association.

Mrs. George Eyer, P.-T. A. president, opened the meeting and the salute to the flag was given. Mrs. Hjalmar Anderson served as program chairman.

Under the direction of Ernest Camfield, junior high instructor, the dramatics class of that school presented two cleverly produced plays, the first being "Pop Reads the Christmas Carol" and the second, "Among Those Present". The work of the students not only reflected excellent training, but also revealed real talent on the part of the players.

As a musical interlude following the first play, the Elementary boys choir, directed by Miss Ellen Thoreson, sang three selections, and the girls glee club and the boys chorus of the junior high, directed by Mr. Camfield, each sang three numbers. Offerings of the well trained young vocalists were greatly enjoyed by the audience.

The P.-T. A. dispensed with all business, giving the entire time to the program.

Etiwanda Gives Big Boost to Red Cross War Emergency Fund

A crown for Etiwanda.

Responding whole-heartedly to the emergency Red Cross appeal, people of Etiwanda have contributed the unusually large sum of $543.55. This sum is regarded as outstanding because it is far larger in proportion than the total given by people in other communities.

According to Neil D. Hickcox, Etiwanda chairman, contributions were "nearly 100 per cent"—meaning that nearly every person in the community added to the fund. On the general campaign committee were O. H. Price, Judge Thomas Donnelly, W. H. Frost, Mark B. Hickcox, E. C. Appel and Neil Hickcox. An intensive two-day drive was planned, the community being divided into five districts, a solicitation team being assigned to each district. In addition to the committee members, the teams were composed of the following men: Glenn Shepherd, W. C. Pearson, Walter Price, Rudolph Hoppe, Robert Hickcox and Frank Rowe.

Etiwanda is included in the area served by the Upland chapter of the Red Cross.

"So Sorry!" Eh ? ? ? Perhaps it was what we needed. Anyhow we know where we stand and what we shall proceed together to do. Every coat has been shucked—every sleeve rolled up, and there glows a fierce determination in the eyes and terse language of Americans throughout the Land of the Free.

Regardless there also is a determination to go ahead and have one good- ole fashioned Christmas for old-time sake, and to gather morale for anything in sight.

Santa Claus says he is going to picket the joint. Been expecting this.

We have lots of fun. A potential "Santa Puss" struggled into the House That Mac Built in search of Chocolate appeasements. Said, while he was against the idea internationally, he could think of no better plan to promote domestic harmony in times like these. Kidded me about the box car of McFarlane's Awful Fresh Chocolates we are dishing out in paper bags. Sez He——"They may be Fresh, Mac, but I still contend they are awful." Mi Gosh! BUT One of the Goils of the Trusty Crew introduced him to our Best Boxed Chocolates and he walked out with two large and handsome bundles of seductive sweetness such as would defy admission into the average female sock.

At 4 p. m. a candle-lighting vesper service will be held and the choirs of the church will present the Christmas cantata, "The Coming of the King" by Dudley Buck.

The choirs will be directed by Mrs. David J. Cameron and Mrs George W. Cassell will be the organist.

Singing the solo parts will be Mrs. Cameron, soprano; Mrs. Marion Maxwell and Miss Elizabeth Wright, contralto; E. H. Genung and Clifford D. Jellison, tenor; Bert Hendy, Fred Dundas and Ralph H. Marr, bass.

The public is invited to attend these services.

Nearly 1,000 Men In County Answer Call to Lick Japs

Almost 100 men a day have enlisted in the United States army through the army's recruiting station in San Bernardino since war blew the lid off the Pacific on December 7, with nearly 1,000 men being signed up, it is announced by Sergeant William J. Mairs, district recruiting officer. Of these, 124 have been accepted, with the examination of others going ahead as swiftly as possible.

A great number of men over 60 besiegd the recruiting office, pleading to be assigned to any sort of service. Applicants from 15 to 70 years sought to join the service.

Army enlistments are now for the duration of the war plus six months. Urgent need for amateur and commercial radio operators is announced, as well as for automobile mechanics. Men who are qualified typists and have been discharged from the service within two years also are needed for assignment to fourth corps headquarters at the Presidio in San Francisco.

Saturday Is Dividend Day!

A QUESTION IN EVERY ADV.

You will note that in each space is an easy-to-answer question. To qualify for the Dividend Day award, you must answer the questions listed by the firms from which you have saleslips.

For Example—If you have a sales slip from Blank Co., you must write the answer to the Blank Co. question on the sales slip and have it ready for presentation to the Merchants' Messenger by 6 p. m. Monday.

If you are not going to be home Monday between 6 and 7 p. m., leave your sales slips posted near your front door.

Every adult in Upland, Alta Loma, Cucamonga and Etiwanda is eligible to participate in the Upland Merchants' Dividend Day. A directory has been especially compiled to include every house address in these communities.

Receipts of payments on account for purchases since March 1 are not eligible for use as sales slips.

The dividend sales do not have to be for cash, a "charged" sales slip being acceptable. In all fairness, however, a sales slip for payment cannot be eligible for use on dividend day.

READ THE ADVS. AND WRITE ANSWERS TO THE QUESTIONS LISTED BY THE FIRMS FROM WHICH YOU OBTAIN SALES SLIPS.

ELKS' CHRISTMAS PARTY AIDED BY WILLING WORKERS

Preparations for the Elks' annual Christmas party for needy children in the West End are moving ahead swiftly, it is announced by Ray R. Sherwood.

The party is to be held on Tuesday afternoon, December 22, at 2 o'clock, at the Ontario junior high school auditorium on West J street, Ontario, and attendance is by invitation only. The Elks are arranging to pick up children in Upland who will attend the party.

There will be toys and toys to gladden many a young heart, and much of the preparation of the toys is being done in the Hansen building on Second avenue here. This work is in charge of Harry Plum, and under his direction, and a corps of men have been busy for some time making old toys shine like new.

In the past, much of this work has been done by Upland Boy Scouts, but this year it is being done by men of the Pastime club here. As Mr. Plum put it, "The work is being done by Scouts alright—good scouts—any of whom are not under sixty years of age." The work, he said, was going on with a great deal of interest being taken in it.

Dressing of the reconditioned dolls is being done by junior high school members of Miss Ruth Moses' homemaking classes, Mr. Plum said.

Edward Johnson, brother of Mrs. Irby Martin of South Second avenue, left Sunday for his home in Dallas, Texas, where he will enlist in the navy.

War Clouds Send Hundreds Bowling Toward Dustbowl

For the first time in many years the immigration trend has turned to emmigration, it is reported by California border checkers, with a great exodus of war-frightened middlewesterners heading for Oklahoma and other dustbowl states.

At Toppock on Highway 66, the normal volume of cars crossing the Colorado river has risen from 225 to between 450 and 500 daily, with eastbound traffic crossing at Blythe on Highway 40 kiting from 300 to between 600 and 700 daily.

Travellers are not bashful in admitting that they want to get away from California because of the war.

ALTA LOMA MASS MEET FOR DEFENSE

There will be a mass meeting of Alta Loma citizens to be held in the auditorium of the Alta Loma school on next Monday evening, December 21, at 7:30 o'clock.

The meeting has been called by President William Bannister of the Alta Loma Community club for the purpose of completing preparations for blackout and civilian defense measures, and all citizens are urged to attend.

Speakers from the County Defense Council will be Harry E. Reynolds, chairman of the human resources and skills committee, or one of his staff, and W. M. Hughes of the co-ordination of housing committee.

"Save All Waste Paper" Is Request Of Governor; City Council Will Aid

ed by governmental agencies, business establishments, hotels, apartment houses and home owners, and

Whereas, it is absolutely necessary that waste paper be conserved for national defense,

Now therefore, I, Culbert L. Olson, Governor of the State of California, in the interest of national defense, do hereby proclaim a waste paper shortage in the State of California, and urge all county and municipal authorities, business institutions, hotel and apartment house owners and housewives to conserve for defense purposes, all their waste paper, and I also urge charitable organizations and waste paper dealers in the State to put every effort behind the gathering of waste paper so that it can be converted into a necessary defense. I also call upon the appropriate committees of the state and local councils of defense to cooperate in furthering this order.

The proclamation was signed by Governor Olson and Paul Peek, secretary of state for California.

Upland city council at its meeting last night read and heartily indorsed the proclamation of Governor Culbert L. Olson, calling on citizens to conserve waste paper in the interest of national defense.

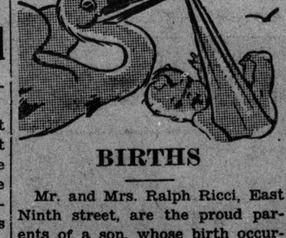

The matter was discussed at some length by the council, and it was decided to work out some plan for the collection of waste paper which will be put into effect soon. All Upland residents are earnestly asked by the council to give full cooperation to the request of the Governor.

Whereas, there is an alarming shortage of paperboard in the United States, and

Whereas, paperboard is manufactured from waste paper, which includes old newspapers and magazines, used corrugated boxes and general contents of waste paper baskets, and

Whereas, the Office of Price Administration in Washington advises that almost three-fourths of this valuable raw material is burn-
